

WHS and Sustainability Policy

Robertson's Remedial and Painting Pty Ltd

Robertson's Remedial and Painting Pty Ltd specialises in remediation and painting works for domestic, commercial, strata and industrial property.

RPD is committed to maintaining effective relationships with customers, employees, contractors and the community. RPD aims to be a company of choice for customers and to deliver safe, reliable project outcomes.

To keep staff, workers, contractors and visitors safe, RPD maintains a documented management system that supports safe work, customer requirements, legal compliance and continual improvement.

Each year RPD sets measurable business objectives and targets. Project objectives are also set and reviewed as the project progresses. These objectives are used to:

- Eliminate work-related injury and illness so far as reasonably practicable
- Control high-risk work and prevent unauthorised releases from site
- Improve the effectiveness of the WHS system
- Comply with applicable statutory, regulatory, client and contract requirements.
